Re. Board Meeting Schedule  
(Rescheduled due to Level 1 Snow Emergency)

To: Board Members

Hello Everyone,

Again, I just want to remind everyone that Monday night's board meeting (*February 22, 2010*) is VERY important and that EVERY board member needs to be in attendance. The executive session will be a busy one covering many aspects of the restructuring of JNRU's sewage works debt. Jim McGoff will be hand delivering documents for signing and approval and the actual closing will still be on February 25, 2010 thus, there is no time for another schedule change.

In addition, you will notice that this packet includes the meeting minutes that were missing from the previous packet. My report this month will still be given verbally since I'm taking some vacation days to complete a project at home before the contractors for the sewer project begin working onsite full time.

Please feel free to contact me if you have any questions or concerns prior to the board meeting. Otherwise, enjoy your weekend.

Sincerely,

Jeffrey A. Fish, Utility Manager
